REMARKS

Claims 1-5, 51-57, 69-72, 79, 81, 82 and 86 were pending in the subject application all of the pending claims except claim 86 were allowed. By this Amendment, applicants have cancelled claim 86 without prejudice. Accordingly, claims 1-5, 51-57, 69-72, 79, 81, and 82 remain in the subject application, all of which are in condition for allowance.

Entry of the foregoing and favorable reconsideration of the subject application, as amended, pursuant to and consistent with 37 C.F.R. §1.116, and in light of the remarks which follow, are respectfully requested.

The Examiner has indicated that Claims 1 to 5, 51 to 57, 69 to 72, 79, 81 to 82 are allowable. The sole remaining issue is the rejection of claim 86 under 35 U.S.C. §112, first paragraph, as allegedly lacking written description and enablement.

In response, applicants have canceled claim 86 merely to advance prosecution of the subject application, but without conceding the correctness of the Examiner's rejection.

Accordingly, issuance of a Notice of Allowance is respectfully requested.
